

NOTICE OF ROAD CLOSURE
MERRYDALE DRIVE NEAR BOB WHITE TRAIL
HUNTINGTON SOUTH SUBDIVISION

Fayette County Stormwater Management will temporarily close a portion of Merrydale Drive near Bob White Trail to through traffic. The purpose of this road closure is to replace the metal pipe currently in place with a concrete pipe that drains Gay Creek under Merrydale Drive. This temporary road closure will be in effect starting Monday, September 17th, 2012, with a schedule completion date of Friday, September 28, 2012. Please be advised that once construction begins, unexpected weather conditions could extend the planned completion date. Access will be available at all times to local traffic residents and their guest living within the limits of the road closure.

A temporary detour using Firethorn Lane, Bryson Lane and Windsor Drive has been set up to aid those unfamiliar with the area needing access to the other side of the creek. The attached plan shows the proposed detour route that will be in place during the road closure. Should you have questions regarding the road closure please contact Fayette County Stormwater Management at 7709-305-5410.
